Message from the P&C President

As you would have seen in Mindabooka, the P&C is up and running again this year. The AGM was held recently and a new committee has been formed for the year. It was great to see a good role up with some new faces which was very encouraging. For those new to the school or unfamiliar with the role of the P&C, we primarily have a fund-raising role within the school and work closely with our principal and staff to fund specific projects.

Our main fundraising comes through the canteen which is run by a dedicated group of volunteers. It’s great to see some new names on the list already this year, so an early thank you to all those who are giving up their time to help out.

Throughout the year there will be some stalls, Mother’s day and Father’s day being the main two, a couple of discos, and various other activities organised by our fundraising coordinators. Keep an eye out in Mindabooka for upcoming events throughout the year.

Another source of funds will be a Bunnings BBQ at the Kotara Homemaker Centre to be run in the second half of the year. These are always a good day, and a great way to meet a few new people from the school. (we run shifts so you’re not there all day)

This year we will also look to focus on grants that our school may be eligible for. While the applications can be a lot of work (as Mrs Ross would attest) the potential benefits to our school would be significant.

If you would like to get involved in the P&C please come along to our next meeting on the 24th March at 6.30pm in the administration building (opposite end to the office). I hope you and your children have a great year at Adamstown Public this year.

Mark Wilson

President P&C
