The Adamstown Out of School Hours Care (OOSH) is a not for profit community based organisation managed by a volunteer parent committee. Adamstown OOSH provides quality care for children of primary school age and caters for up to 80 students for before school care, after school care and vacation care. Adamstown OOSH is located in the school hall for before and after school care and offers an exciting program including excursions, incursions and day camps for vacation care. Priority care is given to parents/guardians who are working, looking for work, undertaking study/training and care is offered to those who are otherwise engaged before and/or after school hours.

At Adamstown OOSH we acknowledge Article 31 of the UN Convention of the child’s right to play and we promote a safe and stimulating environment for children by catering to their physical, mental, social and emotional needs. We aim to support every child by encouraging open communication, inclusive practices and diversity through our program and menu and aim to be an active and important part of our community.
